Message from the President

Happy Holidays!

We haven't even made it past Halloween and all of the wholesale and retail stores have Christmas decorations on sale and on display; so I have no regrets about mentioning the Holiday ProXtreme Camp once again.

Two of our visiting professionals are still competing in postseason matches, so it will be good to talk story with Brian Ching and Clint Mathis about their runs to the championship.

The ProXtreme Camp is open to all soccer players in Hawaii, ages 5-14, so please let all of your family and friends know about the camp. We want to get 200 participants this year, so please help us get the word out. We are announcing the camp

through the newspapers and ESPN1420 talk radio; and staff coaches and the ProXtreme committee members are handing out flyers in schools and sports stores. If you would like some flyers for distribution, let us know so we can get some to you. Word of mouth is still the best way to advertise, though, so please spread the word.

Joining Brian and Clint will be Kenji Treschuk from the Charleston Battery, Mele French from the WPS' Sky Blue FC and goalkeeper Allison Lipsher from the WPS' Boston Breakers. Supporting them at the camp will be approximately 40 Bulls alumni, most of who are playing in college now.

Players can go to www.hawaiisoccercamps.com to register online, or can call Ashlee at (808) 561-4663 for information. Players registering before midnight on November 30 will receive the early bird discount of \$200. On December 1, the price goes to \$225.

After the Camp, on December 30, the Club will sponsor the annual end of the year party and awards celebration. The location still has to be determined, so stay tuned for updates. We hope you can join us for food, music, and relaxation; and to honor this year's award recipients for male and female players of the year, volunteer of the year, coach of the year and alumnus of the year. The party is open to all, not just volunteers and staff of the ProXtreme. Team managers will be updated with details as they come in and will keep you posted.

If you want to get involved with the Camp; to make donations to the Camp (yep, still looking for golf, etc for the pros) or have great ideas on how to make our 200 campers mark,

Children and Youth Day

By Ken Perske

MAHALO to all who helped with the Children and Youth Day celebration at the State Capitol. This was the 8th year that the Club has supported the event, and once again our presence was undeniable and our professionalism unmatched. Thanks to all who helped with set up and take down, for manning the booths, and for providing food and water. Players; thanks for giving up your Sunday morning to give back to the Club and the community. It says much about your character to do so. Great job Derick and the staff for organizing both locations. Next stop, ProXtreme! Thanks again for all of your help and congratulations on a job well done!

Keiki Bulls keep kickin'

By Ashlee Kuske

"I like the name," responded one four-year-old Keiki Bull when asked what is your favorite thing about Keiki Bulls. With another season of

Keiki Bulls coming to a close we look forward to the next season

starting in April 2010, but we pause to look back on the memories of this season. We asked a six-year-old why she liked Keiki Bulls and she answered, "I like the nice coaches!" Another kid responded, "Because I know a lot of people here." When asked how old he was, he confidently answered, "seven and three quarters." What did a five year old learn at Keiki Bulls? "Drib-bul-ings," she answered. A six and a half year old said, "[I like soccer] because you could make goals." We

also take a chance to ponder the deeper questions surrounding Keiki Bulls such as, why was the original

soccer ball black and white? "Because they painted it black and white," replied a five-year-old Keiki Bull. What do these soccer players want to be when they grow up? One girl answered, "a teacher" and a four-year-old boy replied, "an ambulance!" This same Keiki Bull told me that we wear cleats on our shoes "because that's for feet, so it doesn't sting us." The ultimate question asked was what animal does Coach Jose look like? We got a variety of answers including a kangaroo, giraffe, "monster bear", and "definitely a tiger." As you can see, there is a lot more than soccer being thought of when the Keiki Bulls take the field. We enjoyed working with what will hopefully be the next generation of Honolulu Bulls Soccer players and we look forward to seeing them (and maybe some of their friends) back out in April.

Furlough Fridays Soccer

By Mieko Takada

The surprise announcement of Furlough Fridays has created difficulties for many of our families. The Honolulu Bulls Soccer Club wants to be part of the solution, so we are continuing to offer "Furlough Fridays Soccer" at 2 locations: Waiialae Iki and Mililani District Park, from 8am to 3pm for \$30/day. Early drop off and pick up are available at 7:30am and 3:30pm at no extra cost. At the Mililani District Park location only, **Kenji Treschuk**, professional soccer player with the Charleston Battery (USL) will be headlining the list of our quality instructors.

Since Furlough Fridays came upon all of us so suddenly, the Honolulu Bulls have waived the payment fee to all Bulls members for the October 23rd and October 30th sessions. We hope that you were able to join us!

Register for any or all of the future Furlough Fridays at a cost of \$30/day by going to www.hawaiisoccercamps.com; be sure to reserve a spot, as spaces are limited. Please help us provide the appropriate staff by letting us know promptly. If you have any questions, please feel free to email or call us at info@hawaiisoccercamps.com or (808)542-8548.

Park Reminders

There are several rules that we need to follow in order to keep our neighbors happy and we must do so to continue to use the fields. Please do not double-park at Waiialae Iki when you pick up or drop off your children. When using Hunakai Park, please park on the park side of Ulumaika Street. Please do not park on the side of the street with houses. Also, please do not bring your dogs to Waipio. Your compliance will help us to continue to use these parks for years to come!

Did you know that you could help the Club earn valuable commission points from Eurosport by clicking on the Eurosport web link on the Bulls home page? You still earn your own Goal Club points too!
