Message from the President

Well, the Honolulu Bulls certainly ended the previous decade in fine style, as evidenced by many notable events. Coach Derick Kato organized and instituted a very successful College Seminar series for registered players in the Club. The coaching staff launched Furlough Friday Futbol for those parents needing a healthy outlet for their children once furloughs were initiated. The State's Children and Youth Day celebration in October was, once again, well supported by countless Bull's staff, players and volunteers. We bid aloha in fine style, with a fantastic party at Pipeline Café featuring music and prizes, to our good friend and Club Registrar, Luke Baer. Multiple teams competed in mainland tournaments, with success measured in contacts for our players with college coaches and scouts. HSC Bulls teams,

especially on the boy's side this year, dominated the MISO Junior League, taking 5 age group titles: U12, U14, U16, U19 Boys and U19 Girls. Alumni had successful professional seasons in Houston (Brian Ching), Boston (Allison Lipsher), Charleston (Kenji Treschuk), and New York (Mele French). Blaine Gonsalves and his Tulsa Hurricane teammates made it to the NCAA Elite 8 in post-season play. Shota Takada will be travelling next month to Europe as a member of the US Club Soccer id2 team (only player from Hawaii... and a Bull!) and Caprice Dydasco will be rostered with the U17 USWNT as they compete in their World Cup in August in Trinidad!

2009 ended with a very successful ProXtreme Camp; thanks to our humble and sincere friends, Brian Ching, Clint Mathis, Kenji Treschuk and Allison Lipsher. Over 100 kids enjoyed rubbing shoulders with these heroes in our world. They had even more fun learning from our ever-present collegiate player staff, who give up a large part of their vacation each year to work the ProXtreme. Region IV ODP Head Coach Platini Soaf provided valuable lessons for the campers and staff alike; as he not only was featured coach for the ProElite campers, but the leader for camp warm up each morning for all participants. The camp could not have been a success without the major efforts of Miekko Takada, Kenji Treschuk and Ashlee Kuske; as they worked tirelessly to sign up players. The generosity of so many makes this camp special:

- Henry Katsuda, President of TD Food Group for 15 large pizzas
- Bubbies Ice Cream for 200 Mochi
- All of the registration helpers!

And finally, the piece de resistance, the end of the year party and awards celebration capped off a fantastic week of soccer. Unfortunately, Brian Ching was unable to attend the event. He did, however, provide a Houston Dynamo jersey signed by all of his teammates; which was presented to our uniform sponsor, Mr. Hidehito Uki (President of Sun Noodle). Clint Mathis recounted his season and particularly the run to the MLS Cup. He truly is a champion on and off the pitch. Platini was most gracious in his speech praising the Club, staff and volunteers for the true family atmosphere present in the HSC Bulls; and for the aloha shown by all to him and his family.

Congratulations to the following award recipients for 2009:

Aloha Ashlee

Ashlee (Doi) Kuske is an HSC Bulls 84G alumnus. She was a Pepperdine soccer student athlete and played semi-pro ball with the Claremont Stars. She is going to be with her husband Brad, who received a residency in Washington to finish up his Doctoral program. We wish her and Brad the best in their future. Ashlee helped revive the Club newsletter by becoming the editor

If you are interested in helping the Club in the capacity of BULLETin editor, please contact Ken Perske, kperske@hawaiiantel.net, or Phil Neddo, doc@hscbulls.com. It

involves the gathering of news and compiling it for the monthly (or bi-monthly) publication. Experience in newsletter layout is not necessary since there are people who can assist with that.
